

MaxClaim Atlanta — Accident Recovery Checklist

Use this checklist after a crash to protect your health and maximize your claim.

- Get medical attention immediately and document all symptoms.
- Call police and confirm the incident report number.
- Take photos of the scene, vehicles, and injuries.
- Collect names, phones, and insurance of drivers and witnesses.
- Do NOT admit fault; keep statements factual.
- Do not give a recorded statement without legal advice.
- Track expenses: towing, repairs, rental, lost wages, medical bills.
- Follow treatment plans and keep appointments.
- Save all documents: bills, records, prescriptions.
- Contact MaxClaim Atlanta to be connected with a motivated attorney.
